It is CVEA’s policy to comply with the Internal Revenue Service (IRS) regulations by requiring the accounting for ordinary, necessary and reasonable expenses on a timely basis in accordance with an “Accountable Plan.”

An “Accountable Plan” is a system in which charged to reimbursed expenses are accounted for on a timely basis and includes the following requirements:

- A valid business connection.
- Substantiation in the form of a receipt and/or invoice.
- Substantiation must be submitted within sixty (60) days of the charge.

Requests for reimbursement of business expenses and/or the accounting of charge expenses on any credit card used for approved CVEA expenses must be submitted on the CVEA Business Expense Report. Original receipts are recommended for all expenses in accordance with contractual amounts. To maintain an “Accountable Plan” as defined by IRS regulations, the business purpose of the expenditure and the names and business relationships of guests must be included as part of the substantiation and be accounted for within sixty (60) days of incurring the expense. If required information is missing, the expense statement will be returned to the originator.

The CVEA Business Expense Reimbursement form, together with the required documentation, must be submitted for review and signature approval before payment is made and/or charged expenses are cleared. The reviewer is responsible to ensure that the expenses are reimbursable under this policy, validate the expense report has been filled out properly, including the required documentation and receipts, and verify that the expenses are reasonable and necessary.
The following are common reimbursable expenses allowable under this policy:

- Lodging (statement required)
- Travel expenses including airfare, taxi, and mileage (at IRS standard mileage rate).
- Reasonable meal costs necessitated by travel, including tips up to 20% at CTA daily rate (3/7/18) $85.00.

- Refreshments
- Hotel room movies and snacks
- Luggage, briefcases, etc.
- Alcohol, unless reasonable in cost and consumed during business entertainment activities
- Parties and gifts
- Reimbursement for business miles in excess of the cost of airfare to the same destination.
- First or business class airfare

No policy can anticipate every situation that might give rise to legitimate business expenses. Each individual must use his/her best professional judgment in determining if an expenditure is reimbursable under this policy.

Business travel will be reimbursed at the per mile rate established by the IRS rates or at actual costs, whichever is lower.

Advances for business travel may be authorized by the Executive Board utilizing a check requisition form. Members are required to:

- Only use the advance for approved travel expenses
- Submit expense form within thirty (30) days of the event
- Deduct the amount of the advance from the amount due or
- Include check for the unused advance

Members who do not submit a member expense form are subject to:

- Being issued an IRS Form 1099 for the total amount of the advance
- Not eligible to receive further advances

Advances may be issued to local NEA-RA delegates but not to state delegates. The advance amount should not be more than 50% of the total Executive...
Board travel amount authorized. State NEA-RA delegates should make their advance requests directly to CTA.
